NAVY DECLASSIFICATION/RELEASE INSTRUCTIONS  
ON FILE

Dear Mr. Baird:

At the beginning of each year the Naval Intelligence School conducts a training course for approximately fifty (50) regular student officers in the "Organization for National Security". This course is designed to give the student officers a background in organization as a basis for further intelligence studies. With this in mind, it is believed that a lecture on "The National Security Council, the Central Intelligence Agency, and the U.S. Intelligence Community" would be most helpful in meeting the needs of the course.

It would be greatly appreciated if a member of the Central Intelligence Agency could be made available to present a lecture on this subject to the student officers. If feasible, the most fitting date would be Thursday, 14 September 1961, between the hours of 1230 and 1500. It is anticipated that there would be a question and answer period following the lecture. [redacted] of your staff has given this lecture in past years and his presentations have been extremely well received.

Should this request receive favorable consideration, details may be arranged by informal liaison with LCDR James R. GREEN, USN, who will coordinate this matter for the School. LCDR GREEN, may be contacted by telephone on Code 1215, Extension 441.

All student officers are cleared for material up to and including Top Secret.

Sincerely yours,

  
B. E. MCGINN  
Captain, U.S. Navy  
Director
